

## **Metro East Park and Recreation District FY20 Event Sponsorship Grant Program Information and Application**

Metro East Park and Recreation District (MEPRD) has allocated \$30,000 for the MEPRD FY20 Event Sponsorship Grant Program. Applications will be accepted between July 1, 2019 and May 29, 2020 or until the grant program funds are depleted. Grant requests are reviewed on a first come, first served basis. Check MEPRD's website for the remaining program fund balance at [www.meprd.org/funding.html](http://www.meprd.org/funding.html).

**What types of events are eligible?** Walking, running, and/or biking events, to include biathlons and triathlons. In addition, eligible events must also meet the following criteria:

- The event must promote or make use of public parks, trails, or outdoor recreation facilities in the area. An event utilizing public streets is also eligible. The event must be located entirely within MEPRD's jurisdiction.
- Grant requests shall not exceed 25% of the final total out-of-pocket event cost, an amount not to exceed \$2,500 for public organizations and \$1,000 for nonprofit organizations defined by IRS Code 501(c)(3).
- Events must be open to the public, however entrance/participant fees are permissible.
- At least 10% of event net proceeds must go towards assisting/funding developments or improvements within any public park or along any public trail or towards assisting/funding public recreational programs. Said developments, improvements, or programs must be completed within Madison or St. Clair Counties in Illinois within nine months after the MEPRD grant-funded event. A program is considered to be a set of activities with a long-term aim, therefore hosting/funding other single, special events does not satisfy these requirements.
- If your organization is approved for an Event Sponsorship Grant from MEPRD you must provide acknowledgement of MEPRD's support in relevant marketing materials and giveaways. Examples include, but are not limited to, recognition on signs, t-shirts, flyers, social media, news articles, publications, etc. A vector version of MEPRD's logo can be downloaded at [www.meprd.org/funding.html](http://www.meprd.org/funding.html).

### **When will the grant be received?**

- A reimbursement packet must be submitted for review and approval by MEPRD within 45 days following the event for reimbursement to occur.
- Final reimbursement amount is dependent on documentation of actual event costs and compliance with above criteria. Grant awards are conditional on the event actually taking place, regardless of event cancellations due to inclement weather, lack of participation, or any other foreseen or unforeseen occurrence.

### **Who is eligible to apply?**

- Any public agency/department or a nonprofit organization as defined by IRS Code 501(c).
- The applicant must be the Lead Event Host. The Lead Event Host must be clearly advertised as such at the event. No more than one Lead Event Host is allowed per application.

### **When should you apply?**

- Grant applications can be submitted 45 days – nine months prior to the event date.
- Applications received outside of this timeframe or after event has occurred are ineligible for grant award.

### **How many times can you apply per grant round?**

- Eligible applicants are limited to one event sponsorship grant award per MEPRD fiscal year (July 1- June 30).
- Awards are tracked by the "Award Notification Date" not the "Event Date."

### **What types of events are not eligible for an MEPRD event sponsorship grant or its proceeds?**

- Capital expenditures, political/religious programs, picnics, parades, fireworks, entertainment festivals/events, concerts, memorials, conferences, exhibits, photo contests, fundraising meals, testimonials, or similar events.
- Individuals, families, or teams (scholarships, stipends, fellowships, personal assistance, sponsorships).
